# CRASH COURSE DETAILS

## 40 Days **Classroom Program** **For Class XII Pass Students**

### COURSE DETAILS

- Class Shedule :** 5 days per week/ 2 hours per class/  
2 classes per day Part Test on every  
Sunday (for the topics which have been  
taught during the week)
- Study Content :** Study Material + Recorded Lectures  
31 Part/ Full Syllabus tests (for Online Attempts)  
1 hours doubt class with Batch Faculty  
5 Part Tests + 3 Full Syllabus Tests  
(with Discussions)
- Practice :** Non Academic and Need based Academic Mentor  
Recorded Lectures with 31 Tests (Part + Full Syllabus)

### PROGRAM ADVANTAGE

A fast-track program tailored for students aiming to excel in NEET 2024. This program is designed to equip students with essential time management techniques, comprehensive study material meticulously curated by renowned faculty of Physics, Chemistry, and Biology, as well as specialized doubt-clearing sessions. Our comprehensive approach ensures that students not only receive crucial insights for scoring high but also benefit from a range of additional services aimed at their success. Join us in this exhaustive journey towards securing top ranks.
